

**Attention:
Future Amateur Radio Operators**

Do you think you might enjoy Amateur (HAM) Radio?
Does a 6-to-8-week course deter you from getting a license?
How about a "HAM radio license in a Day"?

The Cascades Amateur Radio Society (CARS) will be hosting a "Ham in a Day" Technician Class session on Saturday, Jan 08, 2022. This will be a fantastic opportunity for anyone who wishes to get their amateur radio license. This will be an all-day session and you must be present all day.

The session will begin at 8am with a break for lunch, followed by the exam at 4pm.

No prior knowledge of electronics is needed.

Prior registration for class or testing is required.

Costs:

Study session: No Charge

Exam: \$14.00, cash or check only. Due at time of testing.

Materials: Will depend on your choice of Study Guide materials.

Contact Tim WD8PMD (wd8pmd@gmail.com) for further information or to registrar for the study session.

VE testing will be available for anyone at ALL license levels.
