

2-meter Thursday night net:

**Good evening, this is (YOUR CALL, YOUR NAME) your net control for the Cascades Amateur Radio Society's Thursday Night Net.**

**Tonight I will be using the CARS callsign "W8JXN".\***

**This is an open directed net and everyone is welcome to check in and take part.**

*-----pause for the repeater to reset -----*

**The Cascades Amateur Radio Society meets on the third Tuesday of the month at 7 p.m. at the Jackson County Health Dept. 1715 Lansing Ave. in Jackson. For more information about CARS please visit our website at [www.w8jxn.org](http://www.w8jxn.org) or contact any club officer.**

**Ask for any announcements, then pause to see if there are any, acknowledge them and let whoever has one to speak.**

**Are there any mobiles or other short time check-ins?**

*Allow mobile/short time check ins to make their transmissions.*

**Now it's time for all other check-ins, SLOWLY please with your name and your call, twice.**

*After you get a list of stations start off the net at the top of the list. **Note:** after calling the station for their comments announce the next station up.*

*Every few minutes call for any further check-ins, we don't want anyone to be left out. We generally run through the list twice to give everyone a chance to make a second transmission.*

*Before you close the net make sure to ask for further check-ins.*

**I would like to thank everyone for checking in. I will now turn the repeater back to normal use.**

**This has been W8JXN, now clear.** (if using the club call) otherwise.

**This is (YOUR NAME and YOUR CALL), now clear.**

**\*To operate under the club call you must have a physical copy of the license in your possession.**

*After you are done please get the net activity report to club secretary or net manager.*
