

Cascades Amateur Radio Society
CARS
W8JXN

This year's event will be held on May 27-28, from 2pm Sat through 2pm Sun at Cascades Park which is located at: **1401 S. Brown Street, Jackson, MI**. We will be set up adjacent to the fishing pond and the baseball diamonds. See the map below for details. It's also a great opportunity to visit "The Cascades Falls" Bring the entire family and make a day of it. For those of you with radios our talk in frequency will be on the W8JXN Repeater 146.88 PL Tone is 100

★ 2026 ARRL FIELD DAY ★

Field day is the largest single emergency preparedness exercise in the country. The Public is invited to stop by, observe, and speak with Amateur Radio operators throughout the weekend. Whether you are interested in emergency preparedness, communications technology, or just curious about what this is all about stop in and learn more
